namasté

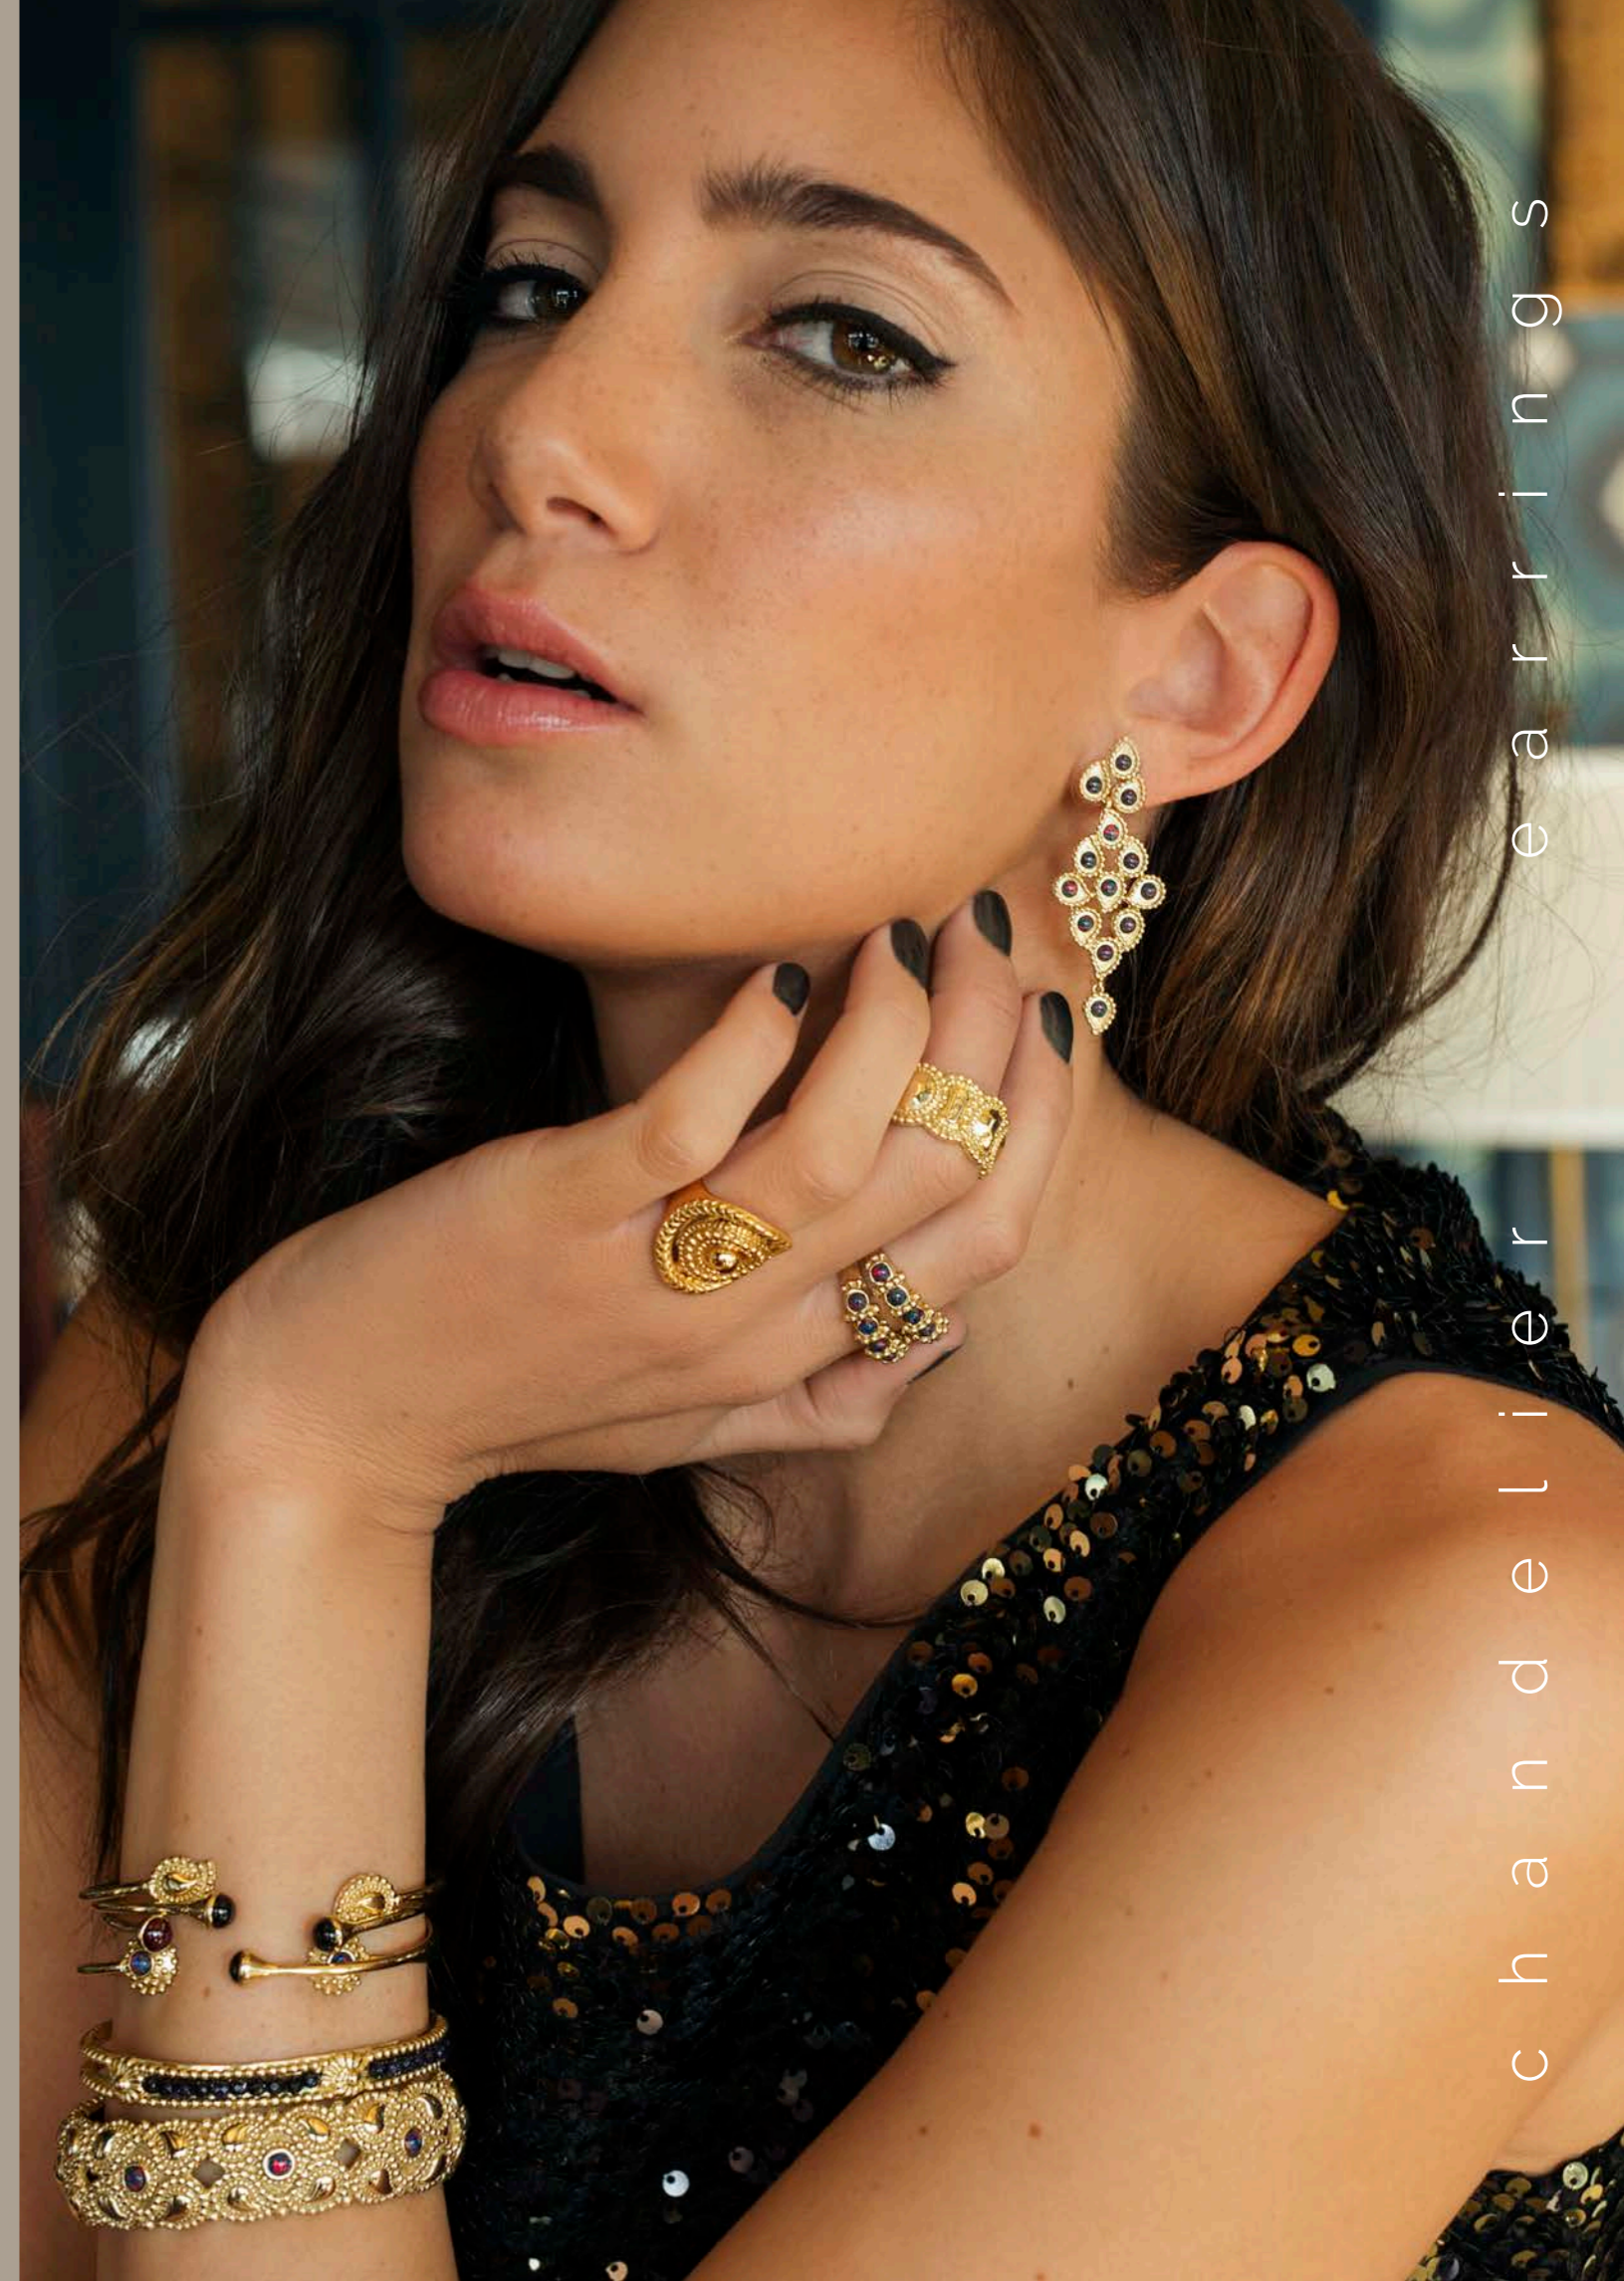

my soul honors your soul
i honor the place in you where
the entire universe resides
i honor the light, love, truth,
beauty + peace within you
because it is also within me
in sharing these things
we are united, we are the same,
we are one.

namasté means 'i bow to you.' it's an expression of trust, connection and openness, and represents our belief that the love we put into creating our jewelry will be passed on to the person wearing it.

the namasté collection is made of high grade materials such as brass 925 silver or 18 kt. gold plated. plain or setted with beautiful manmade opals and semiprecious stones. The material used for earhooks and earposts is 925 sterling silver.

jewelry pieces by steinkult are true, original souvenirs full of love and passion.
