HOBBY

A collection of vintage outdoor gear is displayed against a plain white wall. On the left, a blue plastic step stool with '45 SLOW' and 'LIMIT WEIGHT 150' printed on it stands next to a wooden shelving unit. The unit has three shelves with wire mesh backs. The top shelf holds a tan toolbox, the middle shelf a black toolbox, and the bottom shelf various items including a thermos, a tin of 'Tough W.G. 250g 1kg', and a wooden spoon. To the right of the unit, a silver lantern sits on a wooden surface next to a spool of twine and a fishing reel. Below these, a green checkered bag hangs on the mesh, and a blue bucket with 'IDEAL' written on it holds a pair of yellow gloves. A fishing net leans against the wall on the far right, and a black metal box with 'CC - ER' and a logo is on the floor. A silver metal box lies on the floor in front of the shelving unit.
