

# SET THE TABLE

WITH OUR NEW CLAYWARE

# New arrivals in CLAYWARE – and a full restock on the way

We're adding two new pieces to our popular CLAYWARE collection  
– designed to bring warmth, texture and a splash of colour to every table:

## BRUNCH BOWL (2 pcs)

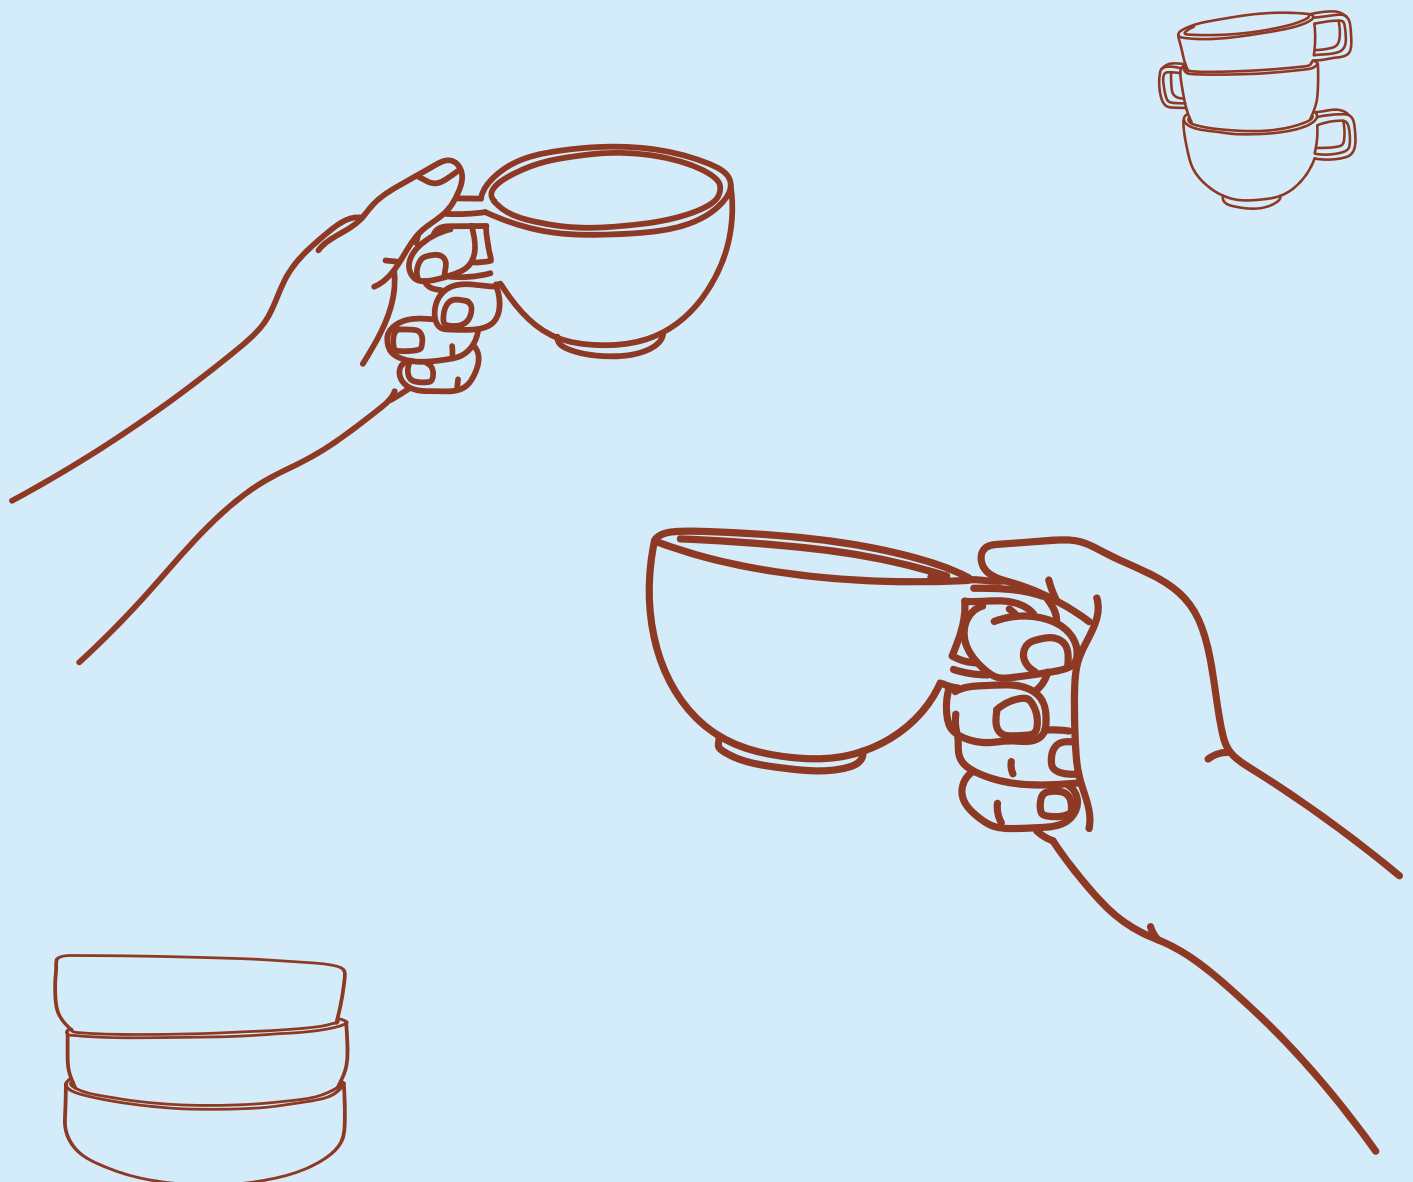

A versatile medium-sized bowl, perfect for breakfast, salads or light meals.  
Colours: Terracotta/Blue – Sand/Grey – Ivory/Yellow

## COFFEE CUP (2 pcs)

A minimalist cup that complements the existing collection.  
Colours: Sand/Grey – Terracotta/Blue

Both products come in sets of 2 and are available in partial or full glaze. The partial glaze highlights the contrast between raw clay and glossy surface, while the full glaze offers a clean and timeless finish.

And the best part: The full CLAYWARE range is being restocked – making it easy to create a cohesive, curated selection your customers will love.
